Internal Use Only – Pricing Guide

Step-by-Step Pricing System

Step 1: Pergola Roof Price

- Length x Width = Total m²
- Total m² x £820 = Pergola Price

Step 2: Side Enclosures

- Length x Height = Total m² per side
- Multiply by chosen option:

- Sliding Glass = £350 per m²
- Motorised Vertical Windows = £420 per m²
- Fixed Glass = £280 per m²

Step 3: Final Quote

- Add pergola price + any enclosures
- Confirm inclusions: installation, transport, LED lighting
- Invite to showroom, share brochure, offer call booking

Worked Example (Internal View)

Customer request: 4m × 3m pergola with 2 enclosed sides

- Pergola: 4m × 3m = 12 m² × £820 = £9,840
- Side 1: Sliding Glass (4m × 2.5m = 10 m² × £350) = £3,500
- Side 2: Motorised Window (3m × 2.5m = 7.5 m² × £420) = £3,150

Final Quote = £9,840 + £3,500 + £3,150 = £16,490

Best Regards
